

I Hope You Dance

I hope you never lose your sense of wonder
You get your fill to eat, But always keep that hunger
May you never take one single breath for granted
God forbid love ever leave you empty handed
I hope you still feel small, When you stand by the ocean
Whenever one door closes, I hope one more opens
Promise me you'll give fate a fighting chance

And when you get the choice to sit it out or dance
I hope you dance, I hope you dance

I hope you never fear those mountains in the distance
Never settle for the path of least resistance
Living might mean taking chances, But they're worth taking
Lovin' might be a mistake, But it's worth making
Don't let some hell bent heart, Leave you bitter
When you come close to selling out, Reconsider
Give the heavens above, More than just a passing glance

God's Garden

God looked around His garden
And found an empty place.
He then looked down upon the earth
And saw your tired body.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He saw the road was getting rough
So He closed your weary eyelids,
He showered the aura of his face upon you
And whispered "Peace, you'll be with thine soon".
It broke our hearts to lose you,
For part of us went with you
The day God called you home.
